WEB DESCRIPTION

Hard booklet case for Samsung Galaxy S3. Eyes is associated to the Google Play free app, which will bring life to your smartphone! The booklet case has two front holes which show the "digital eyes" of the TucanoEyes app: you'll always get a fun look from your Galaxy S3. Otherwise, you can customize it with the eyes of your dears. This booklet case features a polycarbonate core coated in eco-leather to protect your smartphone from bumps and scratches. Moreover, it can turn into an infinite-angle stand, to read and watch videos. The essential design keeps the device sides and screen clear. Are your ready to open the eyes of your Galaxy S3? Eyes is the innovative and original booklet case with a functional magnet, for a comfortable and safe fastening.
